**ABOUT Academy of Professional Cosmetology (APC)**

The academy is owned and operated by APC Schools, Inc. d/b/a Academy of Professional Cosmetology (Chris & Jill Ward), an Arkansas company and located within 10 miles of scenic Beaver Lake in the growing urban area of northwest Arkansas. We began in 2011 with the confidence developed through the extensive experience of the managers and instructors many years in the cosmetology industry. All our staff members are dedicated to providing the very best learning experience available to our students.

The Northwest Arkansas job market is known for its extraordinary growth and is experiencing a shortage of cosmetologists, aestheticians, and manicurists. The U.S. Bureau of Labor projects employment for hairdressers and cosmetologists to grow by 13% by 2022 with an increase of 83,300 jobs available. The school is licensed by the Arkansas Department of Health-Cosmetology Section, 4815 West Markham, Slot 8, Little Rock, AR 72205 ph. 501-682-2168 and began its initial class on June 6, 2011. Copies of the documents related to licensure are on file in the school administrative office and may be reviewed by the students upon request during regular business hours.

The Academy of Professional Cosmetology is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS). The National Accrediting Commission of Career Arts & Sciences is recognized by the United States Department of Education as a national accrediting agency for postsecondary schools and programs of cosmetology arts and sciences, electrology, and massage. Their contact information is: NACCAS, 3015 Colvin Street Alexandria, Virginia 22314.

## **WITHDRAWAL POLICY**

### **Official Withdrawal**

A student is considered to be "Officially" withdrawn on the date the student notifies the Admissions Office or School Administrator in writing of their intent to withdraw. The date of the termination for return and refund purposes will be the earliest of the following for official withdrawal:

1. Date student provided official notification of intent to withdraw, in writing or orally.

If the student subsequently drops, the student's withdrawal date is the original date of notification of intent to withdraw.

**Unofficial Withdrawal** occurs on the day that the student fails to attend class for 14 continuous calendar days unless the student has been granted a Leave of Absence. If a student fails to show up for class for 14 continuous calendar days without notifying the school of his/her absence the school will determine that the student is an "unofficial withdrawal". Unofficial withdrawals are determined by the school through monitoring clock hour attendance at least every 30 days.

Students who withdraw or terminate prior to course completion are charged a cancellation or administrative fee of \$150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in this catalog and in the student's enrollment agreement.

### **Termination**

Any student who fails to maintain satisfactory academic progress, fails to comply with the school's attendance and /or conduct policy, does not meet financial obligations to the school, or violates conditions mentioned in the Academy of Professional Cosmetology contractual agreement, will be subject to termination and considered to have been officially withdrawn.

## **SATISFACTORY ACADEMIC PROGRESS POLICY**

- A. GENERAL:** This institution requires all its students to maintain Satisfactory Academic Progress (SAP). The SAP policy applies to every student enrolled in a Naccas-approved program. These standards are provided prior to enrollment, apply to all students, regardless of the source of the student's funding, and to all students, regardless of their status (full-time or part-time). All students must comply with the following standards:
- » All students must maintain a cumulative academic average of "C" (75% or better for all Academy of Professional Cosmetology programs) and 70% attendance to maintain satisfactory progress. Satisfactory academic progress is checked once per payment period.
  - » All students are held responsible for regular and punctual attendance. All students must complete the program within 143% the scheduled length of time required to complete the program as defined in the enrollment agreement. This time frame will be measured in terms of clock hours scheduled.
  - » Regardless of the average level of attendance, students who have more than 14 days of consecutive absence will be unofficially withdrawn. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Students who expect to be absent 10 or more days are encouraged to request a Leave-of-Absence.
  - » In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. These policies are outlined in the School Catalog.
  - » All satisfactory academic progress evaluations will be a part of the student file to which the student has access.

### **B. Academic Year Definition**

For Title IV, HEA payments the student must meet both clock hours and weeks of instruction as well as complying with all standards for Satisfactory Academic Progress before they can receive further Title IV, HEA payments. Academy of Professional Cosmetology's academic year is defined as, 900 clock hours and 26 weeks for Title IV, HEA purposes. For programs with a total length that exceeds one academic year, each full academy year is divided into two equal evaluation periods in accordance with the following: The payment period are divided into two equal evaluation periods wherein the first evaluation period is the period in which the student successfully completes both (1) half of the clock hours or competencies and (2) half of the academic weeks while the second evaluation period is the period in which the student completes the course or period.

### **C. Evaluation Periods**

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology full time: 450, 900, 1200, clocked (actual) hours 13 academic weeks, 26 academic weeks, 35 academic weeks

Cosmetology: Evaluation points 450, 900, 1200 and 4<sup>th</sup> evaluation period ends at 1500 clock hours

Aesthetics: Evaluation point at 300 clocked (actual) hours, (9 academic weeks full time, 15 academic weeks part time), 2<sup>nd</sup> evaluation period ends: 600 clock hours

Manicure: Evaluation point at 300 clocked (actual) hours, (9 academic weeks full time, 15 academic weeks part time), 2<sup>nd</sup> evaluation period ends: 600 clock hours

Instructor: Evaluation point at 300 clocked (actual) hours, (9 academic weeks full time, 15 academic weeks part time), 2<sup>nd</sup> evaluation period ends: 600 clock hours

\*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. All evaluations must be completed within (7) seven school, business days.

### **D. Attendance Progress Evaluations**

Students are required to attend a minimum of 70% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements, at which time students are notified of the results. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

### **E. TITLE IV Maximum Time Frame Quantitative Requirements**

The maximum time allowed for students to complete each course at satisfactory academic progress is 143% of the program length for the current total contracted hours. An approved Leave of Absence will extend the student's contract end date and maximum time frame by the same number of days in the approved Leave of Absence. The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 70% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe will be terminated from the program and would thereafter be permitted to re-enroll in the program on a cash pay basis.

## SATISFACTORY ACADEMIC PROGRESS POLICY-continued

### F. Academic Progress Evaluations Qualitative Requirements

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated and counted toward course completion. If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments within one week of the failed/missed grade. Numerical grades are considered according to the following scale:

93 - 100	A	EXCELLENT
85 - 92	B	VERY GOOD
75 - 84	C	SATISFACTORY
74 and BELOW	F	UNSATISFACTORY

### G. Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. The school will notify students of any evaluation that impacts the student's eligibility for financial aid, if applicable. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

### H. Warning

Students who fail to meet minimum requirements 70% cumulative attendance and 75% Cumulative GPA for attendance and academic progress at a scheduled evaluation will be placed on a Financial Aid Warning. A student on Financial Aid Warning may continue to receive assistance under the Title IV, HEA programs for one payment period only. At the end of the evaluation period if the student has met the minimum grade and attendance requirement the student is considered to be meeting Satisfactory Academic Progress.

If the student is not meeting Satisfactory Academic Progress at the end of the Financial Aid Warning Period, the student will be placed on Financial Aid Suspension Status and may be required to meet specific criteria of an improvement plan to assist them in regaining SAP and Title IV eligibility.

### I. Appeal Procedure

If a student is determined to not be making satisfactory academic progress, the student may appeal within fourteen (14) calendar days. **Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance.** The student must submit a written appeal to the school administration on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation. This information must include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 14 calendar days. The appeal and decision documents will be retained in the student file. If the student is granted an appeal, they will then be placed on "Probation". Note that an appeal is granted for one payment period only. The School manager will notify the student in writing of the decision and all decisions are final. If the student does not prevail upon appeal, then the student will not be eligible for Title IV, HEA program funds and will need to make other financial arrangements until the student re-established satisfactory academy progress.

### J. Probation Status

A student who did not make satisfactory academic progress during the warning period may be placed on Probation and receive Title IV, HEA programs funds for one payment period only. Any student that prevails upon the appeal process shall be placed on probation and will be eligible to receive Title IV, HEA funding during this period. Probation may be granted if the institution determines that satisfactory academic progress standards can be met by the end of the subsequent evaluation period or the institution will develop an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds. If the student is not granted a Probation, they will not be eligible for Title IV, HEA funding, if applicable, for at least one payment period, at which time they must be making SAP in order to regain Title IV, HEA funding for the next payment period.

### K. Re-establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV, HEA aid, by meeting minimum attendance and academic requirements by the end of the warning or probation period.

## SATISFACTORY ACADEMIC PROGRESS POLICY-continued

### L. Interruptions and Re-Enrollment

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

### M. Course Incompletes, Repetitions, Noncredit Remedial Courses

Course incompletes, repetitions and non-credit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

### N. Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluations are based on actual contracted hours at the institution.

## **VETERANS STANDARDS OF PROGRESS**

For a student to be considered making satisfactory academic progress the student must meet both attendance and academic minimum requirements. Students receiving VA benefits who fail to meet both minimum academic progress and attendance requirements will be placed on probation. At the end of the probationary period, the student's academic and attendance progress will be re-evaluated. If the student is meeting minimum satisfactory requirements, the student will be determined to be making satisfactory progress and will be considered off of probation.

VA students will be evaluated in accordance with the school's satisfactory academic progress policy and schedule. Students with a minimum of 75% academic average and minimum 70% attendance will be considered making satisfactory progress until the next scheduled evaluation.

Students who fail to meet the minimum standard requirements in either academics or attendance will be determined to not be making satisfactory academic progress and the VA education benefits will be suspended (by the school's certifying official submitting a 22-1999b) effective on the last day of probation.

Reinstatement of VA student's educational benefits:

Once VA students educational benefits have been suspended and after 30 days and the students are meeting the minimum standards of progress, the education benefits will be re-instated by the school's certifying official by submitting a 22-1999.

The school may or may not terminate you from school attendance, but you must meet the minimum standards discussed above in order to receive payment for your VA benefits.

### **Refunds and Prior Credit**

As this School's refund policies and prior credit are in compliance with the requirements of our Accrediting Agency and the Department of Education (Title IV), the standard shall be the same for Veterans.

Be sure to check the requirements for your specific award program.
